

Fordham Care4Kids

We are delighted to announce that Fordham Care4Kids will be commencing on September 21st 2015. We are a wraparound club offering sessions before and after school at Fordham All Saints Primary School.

Our main aims are:

- To provide a safe and caring environment for your child.
- To ensure that children's physical and social needs are met (creating confidence through challenge)
- To provide equal opportunities for children regardless of race, culture, gender, family grouping, language, or disability.
- To promote a good working relationship between parents, children and staff.

The Before School Club will open from 7.30am until the start of school daily. A light breakfast will be provided until 8.30am.

Sessions will include quiet study and physical activities.

The After School Club will run sessions from 3.15pm until 6.15pm.

Light snacks, fruit and juice will be provided.

Activities offered will include construction (lego), arts and crafts, outside play activities and ipads (as an educational tool). We will also provide opportunities for quiet study.

For more details please ask at the school office.
